CARBON LIGHT

Stunning beauty powered by the latest technology. Carbon Light is a high-performing modular suspension light made using the latest LED technology. A feather-light carbon fiber body links highly efficient power LED spots. With an adaptable design and multiple LED spot options, Carbon Light allows you to create the optimum levels of illumination for any surface. Enhance your space with Carbon Light's outstanding design, top quality materials, and excellent performance.

DESIGNERS

Asobi is a design studio established by Gorazd Malačič in 1999. The studio made its international debut in 2005 at the London Design Festival with their prototype of the spellbinding Isle Lounge sofa. In 2006, Asobi received the Design Distinction (Silver) Award in I.D. Magazine's 52nd Annual Design Review for their fluid, futuristic Gwig LED luminaries. In 2014 Carbon Light, a high-performance modular LED suspension light, was selected as a finalist in lighting products at the Architizer Awards. Carbon Light is a quintessential product designed by Asobi.
