

FOLD OFFICE

Fold Office is an advanced luminaire adapted for workplace lighting, for example at a desk. With unique details, carefully selected materials and modern technology Fold Office is the perfect combination of design and function. Fold Office is equipped with both uplight and downlight, which provides very good lighting comfort at the workplace.

Fold office 1577 with dimmer switch up/down has two separate dimmer switches. This makes it possible to dim uplight and downlight separately.
