

OCT 17'
Technical sheet / Specifications / Aftercare

**ROTA** concrete pendant lamp

## **Properties**

This product is made of concrete. Design by Urbi et Orbi studio in 2013.

Concrete is an extremely durable material, hence can be widely used in many applications. Concrete however, can stain or scratch or break if not used with care. It behaves like marble, ceramic or stone.

The raw material that we use is a unique reinforced mixture of cement, additives enhancers and special aggregates.

## **Aftercare**

Always use soft sponges.

We recommend, not to rub the surface with sharp objects like wire, metal tools or hard sponges.
